Hi Robert,

I got a call from Eric Whitney, News Director MT Public Radio in Missoula. He said you referred him to me in regards to questions he has about the CFAC CIP. Since it's a Montana site I'm not as familiar with the CIP status but am guessing I have the final in my emails.

Did you talk with him as well? Lisa, have you heard from him? I'm leaving in 20 minutes. I could call him back to get more information on what specifically he's wanting to know but it may be more appropriate for you to reach out as the CIC for the site or Lisa as media. Thoughts? Libby

He can be reached at: 406-243-4075
